

Project title: **European Input for Sustainable Education and Learning (EISEL)**

EC Project Number: **2017-2-NL01-KA104-038513**

Study visit to Slovenia: **Slovenian Lifelong Learning Week (LLW)**

Host: **Slovenian Institute for Adult education (SIAE)**

Person in charge: **Zvonka Pangerc Pahernik**, head of promotion and information unit, SIAE

Programme

Friday, May 11, Šmarje pri Jelšah:

6.45–17:00

- National LLW opening in Šmarje pri Jelšah (short introduction to the Šmarje pri Jelšah Public Library, opening ceremony and accompanying activities in line with the programme – see Supplement 1)

Monday, May 14, SIAE premises:

8.45–11.00 Presentations of various aspects of SIAE's work

- Welcome address by Andrej Sotošek, director of SIAE
- Mutual introduction of hosts and guests
- Adult Education System in Slovenia by Peter Beltram, SIAE
- GOAL project and SIAE work in the field of adult education guidance by Tanja Vilič Klenovšek, SIAE
- PIAAC results and the development of skills and competences by Estera Možina, SIAE moderated by Zvonka Pangerc Pahernik

11.00–12.00 Brunch and discussion

12.00–14.30 Exchange of experience regarding the coordination of LLW

- The Slovenian Lifelong Learning Week and the implementation of the EU Agenda by Zvonka Pangerc Pahernik
- Support by the Ministry of Education, Science and Sport by Teja Dolgan, MESS
- The learners' voice by Darijan Novak, SIAE
- Presentations of three regional coordinators: KTRC Radeče – Marija Imperl, Slovenska Bistrica AEC – Brigita Kruder, Kranj AEC – Karmen Kosem

Topic: LLW coordination with special emphasis on the following issues:

- **Which (kind of) partners** are needed in such partnerships to achieve a good balance between providers of non-formal and formal education and other relevant organizations?
 - What are the **key conditions for successful sustainable partnerships** in the field of education?
 - How to organize the cooperation on **management level** and how to organize this on the level of **daily work**?
 - How can 'competing' institutions concentrate their focus on the target groups?
- Presentation of the Dutch experience and discussion

Tuesday, **May 15**, various locations:

9.00–11.00 **Visit to the Public Employment Office – presentation by Brigita Vončina, PES**

Topic: general introduction of the PES and its services by Brigita Vončina, PES; input by Dutch colleagues on their system and discussion around the following aspects:

- How is the Public Employment Office organized and what is the position of the Office within the governmental structure?
- How are they financed?
- Who are the partners they cooperate with and does this work well?
- (How) do they cooperate with employers, sector organizations, unions?
- How is the social benefit system in Slovenia for unemployed people and persons with disabilities?
- How does the office get the vacancies?
- How many people are unemployed? What is their profile? Do they identify specific vulnerabilities in their target group?
- How do they support the unemployed - what can they do in terms of education?
- How do they deal with people who cannot have a full time job (because of sickness, physical disability or psychological problems)?
- How does the Office measure, register, monitor the services they deliver?
