*God's blessing on all nations,  
Who long and work for a bright day,  
When o'er earth's habitations  
No war, no strife shall hold its sway;  
Who long to see  
That all men free  
No more shall foes, but neighbours be.*

# PROGRAMME BASIS OF NOVIČKE

- Novičke (The News) is an information bulletin with which we wish to inform individuals and organisations abroad with adult education and learning in Slovenia.
- We plan to provide the following types of information:
  - description and presentation of events and activities in adult education;
  - development, research and other programmes and projects;
  - information on organisations, their needs, plans and activities;
  - information on policy and strategies of adult education;
  - the latest news in administration and legislation;
  - statistical data;
  - information on forthcoming events, workshops, seminars and conferences;
  - presentations of new books and articles.
- Novičke will provide brief, concise, objective and unbiased information.
- Novičke will be published three times a year in English language.
- Users will receive Novičke free of charge. This is a policy we intend to continue, provided we are able to cover the costs of publishing from the public funds allocated to adult education.
